

Universal Wiper Blade 16""""

Part Number - 358.162-161

MRP : INR 188

Details

HELLA Wiper Blades are made with top quality nano technology graphite-coated rubber. The graphite coating greatly reduces friction in the contact areas between the blade and the windscreen. This means a smooth and quiet operation with longer-lasting performance.
HELLA wiper blades are subjected to the highest quality requirements and meet the stringent test standards of Japanese Industrial Standards (JIS) and Society of Automotive Engineers (SAE).
