

AUTOMOTIVE
FILTERS

FOR ULTIMATE POWER
AND SMOOTHER RIDE
ON THE ROAD.

HELLA WORLDWIDE

125 locations
worldwide.

1899 marks the beginning
of HELLA.

35 countries
around
the globe

7,768 employees worldwide
work in research and
development at HELLA

HELLA Group in India is known for setting global standards for quality, customer orientation and has created a niche for itself in both international and domestic market as a supplier to leading vehicle manufacturers.

HELLA India Lighting Ltd. brings “**Technology of Tomorrow for the Life of Today**” to Indian Roads. Member of the Management Board of the HELLA Group, Germany, along with all employees of HILL, have adopted the new strategy for the company to focus all future activities around the central theme of ensuring road safety on Indian Roads. In this regard HILL focuses on state of the art technology products for the special OE segment and safety awareness campaigns through its strong independent Aftermarket network.

EVERYTHING WE DO REVOLVES AROUND OUR CUSTOMERS.

In order to ensure that business runs smoothly, HELLA supports wholesalers and workshops with its extensive know-how and many years of experience. Because we realise that your day-to-day business is already complex enough as it is. As a partner to the wholesalers and as the workshop's friend, we see it quite naturally as our job to make this as simple as possible for you.

The result is that you can plan and carry out your work processes more quickly and more profitably.

PARTNER TO THE WHOLESALERS

HELLA is a reliable partner to the wholesalers that flexibly responds to customer requests, makes an impression with high-quality products and maximum availability, and thereby speeds up and simplifies business - for more efficiency.

As a partner to the wholesalers, HELLA prioritises solution-oriented and reliable collaboration.

We achieve this through fast and customer oriented service in all matters through highly skilled on-site contacts, whose objective is to accelerate and simplify wholesale business through maximum flexibility and speed.

Our success factor is that we are close to our customers - not only geographically, but also in our thinking - through sales companies around the globe.

THE WORKSHOP'S FRIEND.

HELLA is the workshop's friend, combining OE expertise and technical know-how to make day-to-day business faster, more profitable and future-proof.

As the workshop's friend, HELLA aims to provide our customers with optimum support for everyday workshop conditions.

Our technical expertise enables fast and solution-oriented service in all technical questions concerning our products. We treat workshops as equals because we understand them and, thanks to our proximity to the market, can also provide them with fast and competent support.

ABOUT HELLA

Headquartered in Germany, HELLA has been developing and manufacturing lighting and electronics components and systems for the automotive industry for more than 100 years.

offering a comprehensive range of innovative and reliable aftermarket products to meet your automotive needs. As the world's leading key technology driver, we pledge to make the roads safer for every driver.

Today, HELLA stand firm in this commitment where quality assurance and safety is still the core of our expertise.

HELLA offer a broad range of lubricants for passenger vehicle, commercial vehicles and industrial applications. HELLA premium quality lubricants satisfy the strict oil specification and standards.

HELLA Lubricants - For ultimate power and smoother ride on the road.

WHY HELLA ENGINE OIL

Global market leader with more Than 50 million Oil sensors sold

Made using high quality base oil

Precise balance of engine oil additive and base oil

OUR ENGINE OIL

MAXIMUM PERFORMANCE

Engineered for Today's City and Highway Drive
HELLA Performance range are advance synthetic motor oil formulated to keep engine running like new. Suitable for cars, vans and light commercial vehicle. These high-performance engine oils are uniquely designed to help provide outstanding performance in both city and highway drive.

- **Advanced Synthetic Formula**
Formulated for newer vehicle emission control system
- **Precise Performance**
High shear & oxidation stability for prolonged service life as well as prompt acceleration performance
- **Excellent Low-temperature Capabilities**
Enable quick cold weather smooth engine starting. Reduce engine noise and protecting engine life.
- **Exceptional Engine Protection**
Outstanding anti-contamination nature keeps the engine clean and protected even after long operation.

FUEL EFFICIENCY

Designed to Help Deliver Enhanced Fuel Efficiency
The well balance between our high-performance base oil, fortified with a precisely balanced component additive keep the engine running like new. Combining both advance formulation and low viscosity will increase engine efficiency and improve fuel economy.

- **Low Viscosity Advanced Premium Formulation**
Support quick cold-weather starting help extend the engine life and the amount of fuel usage.
- **Large Field of Applications**
Using high quality base oils and careful selection of additives allows larger field of application.
- **Excellent Fluidity**
Lubricated all moving parts in the engine right from start-up. Formulated specifically to reduce engine friction, thus improving energy efficiency and protecting even the most vulnerable engine parts.

ADVANCED DURABILITY

Advance Formula to Prolong Engine Life
Made with a high-performance component to help reduce leaks and provide better high temperature protection. If the engine contains excessive sludge deposits, HELLA durability range will help reduce the sludge prolong the life and maintain the efficiency of emission systems in both diesel and gasoline.

- **Powerful Active Cleaning Agents**
Powerful dispersant property helps prevent sludge and deposits to keep engine clean.
- **Outstanding Thermal and Oxidative Stability**
Supplemented with an additional anti-oxidant, resists oil breakdown delivering outstanding long service life and protection

COOL MAKER 5W-40 FULLY SYNTHETIC

Performance Level:

API SN/CF, ACEA A3/B4, ILSAC GF-5, PORSCHE A40,
MB 229.5, VW 502.00/505.00

FEATURES & BENEFITS:

- Increased Fuel Economy
- Extended oil drain interval
- Extends engine rebuild life
- Excellent wear protection
- Protects from Rust & corrosion
- Excellent cold flow properties

COOL MAKER 10W-40 FULLY SYNTHETIC

Performance Level:

API SN/CF, ACEA A3/B4, ILSAC GF-5, PORSCHE A40,
MB 229.5, VW 502.00/505.00

FEATURES & BENEFITS:

- Increased Fuel Economy
- Extended oil drain interval
- Extends engine rebuild life
- Excellent wear protection
- Protects from Rust & corrosion
- Excellent cold flow properties

FEATURES & BENEFITS:

- Superior wear protection
- Superior deposit control
- Extended component life
- Lower oil consumption
- Better fuel Economy
- Catalytic Converter Compatible

STEERING OIL ATF TQ

Performance Level:
Type A Suffix A (TASA)

FEATURES & BENEFITS:

- Provides good anti-wear protection to critical parts
- Good foam control leads to smooth gear shifting
- Compatible with all common seal materials
- Good oxidation and thermal stability reduces deposit formation
- Extremely high Viscosity Index ensures adequate lubrication in both high operating & low starting temperatures
